

Is your

insurance

coverage

Complete?

Your *Curves Complete* program brings with it several exposures your current insurance provider may NOT cover.

- Nutritional Counseling
- Vitamins & Supplements
- Member Medical Payments
- Property and Contents
- Professional Liability
- And more...

Count on **Sports & Fitness Insurance Corporation** to ensure that your coverage is complete—just like the nearly 1,500 other **Curves** franchises we proudly insure. Unlike some competitors, it's not our practice to cancel your coverage after one loss. We just don't play that way.
